TRUSTED CANADIAN SOLUTION

Coast to Coast to Coast

72 Canadian Municipal Partnerships

7 Territory

THE PROBLEM - FOOD WASTE

- 63% of food waste is avoidable
- \circ Household waste is composed of 25-50% organic waste
- \circ Food waste weight is up to 90% liquid mass (which is heavy)
- The average Canadian household spends \$1,766 on food that is wasted each year
- Each year food waste in Canada is responsible for 56.6 Million tonnes of CO2 equivalent of GHG

MUNICIPAL IMPACT

Waste is a municipal responsibility

LANDFILL + WASTE COSTS

- Landfills are filling up fast, creating cost and environmental issues
- Hauling, transfer, and disposal services are a major cost factor and environmental contributor

ENVIRONMENT

- Landfilled organic waste produces methane, which is 25 times more harmful than CO2
- 1 tonne of food waste is equivalent to 1 car on the road for one year

Food in the garbage:

 More frequent collection or trips to the disposal site

COMMUNITY

- Unpleasant odours
- Animals, pests & other visitors

Removing food waste from garbage:

- ∇olume is reduced by up to 50%
- Less frequent collection, fewer trips to disposal site, save on bag tags
- Keeps odours out, makes garbage much less "interesting" for animals

HAVEN'T WE SOLVED THIS ALREADY?

GREEN BINS

- Preferred solution for larger cities where dense housing and large processing facilities generate economies of scale
- Contamination is an ongoing challenge
- GHG emissions from curbside collection
- Safety concerns from additional trucks on the road

BACKYARD COMPOST

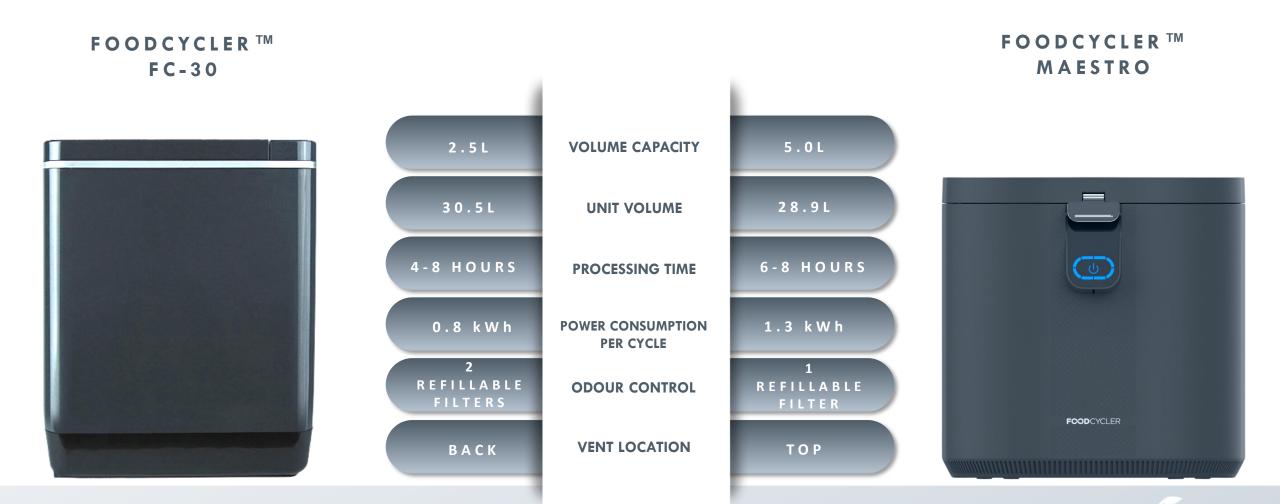

- Cost-effective but can be labor-intensive also
- May attract pests/animals or create unpleasant odors
- Most users do not compost in winter or inclement weather
- Adoption rates are relatively low and stagnant

LANDFILL

- Easiest solution and often perceived as the most cost-effective in the short term
- Waste is typically out of sight and out of mind for consumers
- High levels of GHG emissions, particularly methane
- C Long-term **environmental hazard** requires monitoring / maintenance

FOODILIZER TM: BENEFICIAL USES

The FoodCycler by-product is a dry, sterile, odourless and nutrient-rich biomass with many beneficial uses and practical applications:

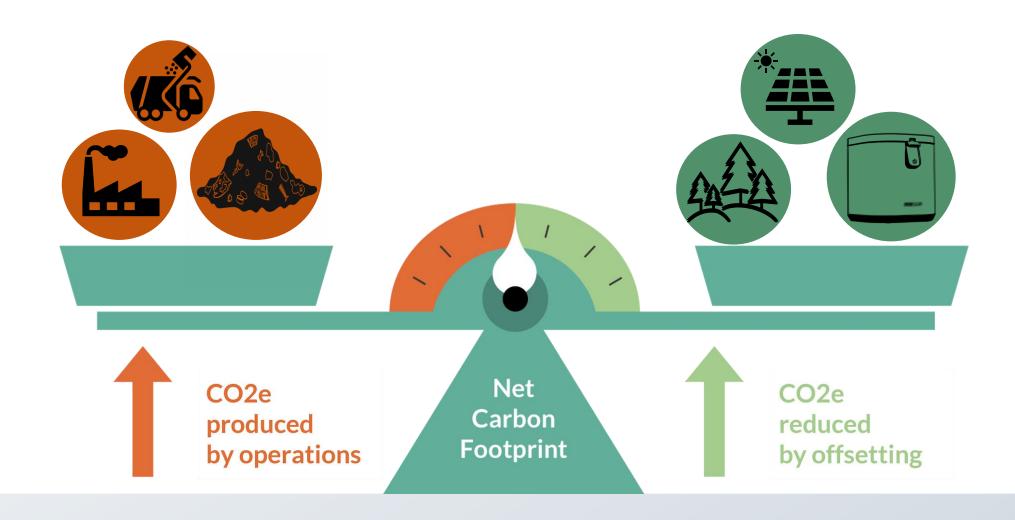

- Add to garden soil
- Add to backyard composter/tumbler/green cone
- Integrate to existing Leaf & Yard waste systems
- Pelletize/briquette as home heating alternative
- O Drop off at compost site
- Drop off to a local farm
- Drop off to a community garden
- Add to Green Bin (where available)

IMPACT: SOCIO-ECONOMIC

Traditional organics collection methods often neglect communities with challenging infrastructure and limited resources (rural, remote, Northern, multi-residential, Indigenous, etc.).

With FoodCycler, the capital costs of developing processing and collection infrastructure are avoided, as is the time required before infrastructural maturity is achieved.

The FoodCycler provides a non-discriminatory means for <u>ALL</u> households to directly participate in organics diversion with minimal individual costs incurred.

All you need is a plug.

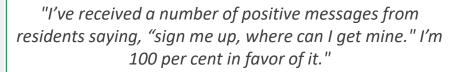

IMPACT: PRESSURE Regulatory + Social

THE TIME IS NOW

- Constituents want solutions to reduce their environmental impact
- Waste is perceived as a government problem and regulations are coming
 - Food waste is "low-hanging fruit" to achieving higher **diversion** and addressing the environmental impact of waste

Deputy Mayor Lyle Warden, (South Glengarry ON)

"We were extremely happy with this program and loved that it made us aware of our daily waste."

Pilot participant in South Glengarry

"It's a great tool to reduce household waste. Appreciate that the municipality is being innovative and piloting different solutions."

Pilot participant in Hornepayne

"It alleviates a lot of the concerns that people might have with backyard composting. The time commitment, the location, pests and animals..."

PARTNERSHIP BENEFITS Why pilot with us?

- Opportunity to trial a food waste diversion solution at a cost well below market prices
- Immediate impact of reduced residential waste volumes thus increasing diversion rates
- Reduced costs associated with waste management (collection, transfer, disposal, and landfill operations)
- The **reduction of greenhouse gas** (GHG) emissions from transportation and decomposition of food waste in landfills
- Extend the life of your landfill(s)
- Opportunity to support **Canadian innovation** and clean tech
- Opportunity to provide **residents** with an innovative solution that reduces waste and fights climate change, at an affordable price
- Obtaining data that could be used to develop a future organic waste diversion program

Next Steps:

- Receive presentation as information.
- If interested in partnering, refer to Staff for a recommendation to Council.

Subject: Long Hill Safety Concerns and Liability.

CAUTION: This email originated from an external sender.

Good morning.

I am writing on behalf of concerned residents of Long Hill Road, Mahone Bay. Long Hill Road is becoming a very problematic area to traverse and is getting increasingly dangerous, specially for home owners trying to access the road to get to their homes. Last Summer was difficult but this year the developments on Long Hill Road are of great concern to us.

Long Hill Road is a NARROW road with NO Pedestrian sidewalks with entrances to the Bay to Bay trail, with a parking area solely for the users of this trail. However the customers of 'Betty's' use this car park and verges of Long Hill to park whilst they eat. Also the former Antique place plus apartment was sold and re-opened under new management which incurrs more people to park in area designated for trail users and actually park in the road blocking the road for resident's access. With these 2 businesses there is no where for the 'Bay to Bay' users to park, so they park in the road.

The turn to get into Long Hill Road coming from Blockhouse is difficult enough without having these added dangers. Last Summer they were parking in the middle of the road to go into the store. I, on a few occasions had to sound my horn, to make them understand they were parked in a road not a car park. A neighbour had to physically exit his vehicle to find the owner of a vehicle, so he could get to his house. The trail users themselves are having issues crossing Long Hill road due to the cars.

We have all noticed a camp/cottage ground development happening on the corner of Long Hill road and Main street and speaking to the builders there appears that 16 will be built as 'Summer only' Airbnbs. these will house non residents not familiar with parking and knowing road access is required for residents.

We would like to know, how does this fit in with the Town's affordable housing plans, as these are only being built for Summer use.

We see no sewage works, is that going to cause an issue with raw sewage from 16 camps causing a potential biohazard issue and an increase in rodents?

How is this development right on the corner going to cope with the 16 vehicles parking, entry and exit and more for the other 2 properties on the lots?

We would like to know this development got planning consent, were the safety factors taken into account?

Emergency Services to this site would be difficult, A fire in that little wood, that whole thing will go up, is it Legal.?

Then on the corner, the former antique store they are converting the flat into an airbnb, so again more parking and car access issues.

These are real concerns from us residents on Long Hill road. With the summer tourist season coming up, we are becoming increasingly concerned about the traffic.

We would like to know who's responsible for if and when an accident occurs or for if Emergency Services are blocked or slowed down when responding to an Emergency on Long Hill road. Who is **liable**? The Town? Betty's? The Campground owner? The antique store?

This is a BIG safety issue, and it seems that the planning and Town Council are unaware.

We would like these questions answered .

On Behalf of concerned residents,

Paula Griffin

Subject: 49th Annual Provincial Volunteer Awards Dates

Date: February 28, 2023 10:00:54 AM

CAUTION: This email originated from an external sender.

Hello Everyone,

I sincerely hope this email finds everyone well on these cold wintery days. Before you know it, spring will be here, and so will the planning of the 49th Annual Provincial Volunteer Awards (PVA). We have been getting a few inquiries as to when things will get going for this year's celebration. So here is a brief heads up.

- CCTH is in the process of hiring an event consultant to help administrate the nomination process and to plan this year's award celebration event.
- On April 16th (First day of National Volunteer week April 16th-22nd) the online submission form links to submit your PVA recipient will be posted on our website https://novascotia.ca/nonprofitsector/provincialvolunteerawards/
- On April 16th the online nomination forms for our speciality awards: Youth Volunteer of the Year, Family Volunteer of the Year and the NS Strong Award, will be posted on the website.
- The deadline to submit your name or to nominate for the speciality awards will be May 23rd.
- The tentative date for this year's award ceremony will be Monday September 25th

Once hired, our event consultant will be in touch with further details. If you are not the community contact, or if you would like to add another name to this list, please send the name to volunteerawards@novascotia.ca. Also everyone should know I will be taking a step back as the lead on this file. My colleagues Josephine Tommy and Kayla Arsenault will be taking charge. I will be staying on to act in an advisory role.

Please don't hesitate to reach out to us, should you have any further questions. We are happy to help.

Thanks so much and have a fantastic week Nancy

Awareness Week Logo.png

CAUTION: This email originated from an external sender.

Is your municipality ready for Access Awareness Week 2023? There are many ways you can get involved to raise awareness and promote accessibility and inclusion for persons with disabilities in Nova Scotia.

What is Access Awareness Week Nova Scotia?

An annual celebration and opportunity to raise awareness and engage Nova Scotians on issues around access and inclusion. This year the theme is Access Includes Everyone: Increasing Quality of Life for Persons with Disabilities.

Organizations in both the private and public sector take a leadership role and host events in their communities to raise awareness about accessibility and inclusion. Through community empowerment, events large and small facilitate conversations and actions for progress.

Why is Access Awareness Week important?

It gives Nova Scotians a chance to learn about the work of disability advocates and leaders across the province, while better understanding the barriers that still exist for persons with disabilities.

When is Access Awareness Week 2023?

This year Nova Scotia's Access Awareness Week is May 28 to June 3, 2023.

How can municipalities get involved in Access Awareness Week?

Adopt the proclamation

Adopt the Access Awareness Week Nova Scotia proclamation. The Access Awareness Week proclamation template is attached to this email as a word document for your use. There is also a template for a town crier.

Nominate someone for one of the Mel Hebb Hourglass awards

Help recognize a municipality, organization, or individual who has worked to improve the lives of persons with disabilities by nominating them for one of the Mel Hebb Hourglass Awards. There are 5 award categories.

- For more information please click here to visit the Access Awareness Website.
- <u>To access the nomination form please click here</u>. The nomination form is also attached to this email as a PDF.

Municipal accessibility lead panel discussion event

Have your municipality's accessibility lead participate in the Access Awareness Week Municipal Accessibility Lead Panel Discussion Event. For more information on how to get involved, please contact Holly MacLellan, Municipal Accessibility Support Coordinator at htmaclellan@amans.ca.

Fly the flag

Fly the Access Awareness Week flag. You can order a flag with the Access Awareness Week logo from Flag Emporium (located in Dartmouth, NS - www.canadaflagshop.com).

- It is possible to order flags on their website, however, the best way is to call Robert Luer at Flag Emporium at 1-902-468-9697 / toll free 1-800-591-8939 to place the order.
- It is considered a custom flag order, so I have attached the AAW logo to this email, as you may have to send this to Robert (if they don't have it on file from years past).

Host an event

Host your own event for Access Awareness Week:

- Have a flag raising ceremony.
- Host a webinar or have someone come to your municipality to provide training on topics of accessibility and inclusion.
- Host a town hall or informal information session (in person or virtual) to provide updates on the implementation of your accessibility plan.
- Something not listed here be creative!

Social media campaign

Run a social media campaign for Access Awareness Week:

- Provide information on the Accessibility Act.
- Provide updates on the implementation of your accessibility plan.
- Feature your accessibility advisory committee members.
- Recognize local businesses, community organizations, or community members who are working to improve accessibility and improve the lives of persons with disabilities in your community.
- Provide "quick tips" or links to resources on how we can improve accessibility.
- Something not listed here be creative!

Amplify the voices of others

Use your municipality's social media to share what other organizations, businesses, and individuals are doing to celebrate Access Awareness Week and help raise awareness in your community. For example:

- Share posts/retweet things from content creators or advocates with lived experience. Use your platform to amplify voices from within the disability community.
- If there is an event in your community hosted by a non-profit that supports people with disabilities, share their content to help raise awareness and spread the word.
- Share/retweet Access Awareness Week content that other organizations post (PAANS, the Accessibility Directorate, NS Human Rights Commission, etc.)
- Something not listed here be creative!

Proclamation

Access Awareness Week May 28th – June 3rd, 2023

WHEREAS, the week of May 28^{th} – June 3^{rd} , 2023 is recognized as Access Awareness Week; and

Access Awareness Week aims to celebrate achievements made both by and for persons with disabilities in the areas of accessibility, transportation, housing, employment, recreation, education, and communication; and

This is the 37th year that this public awareness initiative has taken place in Nova Scotia; and

The theme for 2023 Access Awareness Week is *Access includes Everyone: Moving the Bar on Quality of Life*; and

WHEREAS, barriers to inclusion are many and interconnected, removing and preventing them is central to improving quality of life for all persons with disabilities; and

The foundation of Nova Scotia's Accessibility Act is achieving accessibility by ensuring and protecting the rights of persons with disabilities through the identification, prevention and removal of barriers; and

WHEREAS, Access Awareness Week promotes the inclusion of all Nova Scotians with disabilities as full citizens within our communities; and

Through public awareness, community partnerships and education, this campaign aims to foster an environment of equal participation for persons with disabilities within ICITY/TOWN].

THEREFORE, be it resolved that I, [INSERT MAYOR'S NAME], on behalf of [INSERT MUNICIPALITY], do hereby proclaim May 28th – June 3rd, 2023 as "Access Awareness Week" in the [MUNICIPALITY].

Dated at [INSERT LOCATION], Nova Scotia This 28th day of May 2023

Oyez, Oyez, Oyez!

WHEREAS, Access Awareness Week is to celebrate achievements made both by and for persons with disabilities in the areas of accessibility, transportation, housing, employment, recreation, education and communication.

And, one in five Nova Scotians over the age of 15 identify as a person with a disability.

We gather here today to promote the inclusion of all Nova Scotians with disabilities as full citizens within our communities.

THEREFORE, on behalf of [MAYOR] and [MUNICIPALITY], I recognize May 28th-June 3rd as Access Awareness Week!

God Save the King in All His Glory!

Partnership for Access Awareness Nova Scotia (PAANS) is pleased to invite nominations for the 2023 Mel Hebb Hourglass Action Awards. The Mel Hebb Hourglass Action Awards recognize Nova Scotians for their contributions to the lives of persons with disabilities. These contributions are diverse in nature and come from a wide variety of sources.

We are pleased to accept nominations for awards in the following categories:

- Community Action Award: To recognize communities and municipalities dedicated to increasing
 opportunities for persons with disabilities in their area. This includes recreation opportunities, inclusive
 education, and employment opportunities, or other initiatives that lead to the full participation of
 persons with disabilities.
- **Exceptional Service Award**: To recognize an organization, or a member of an organization, that has gone beyond their mandate in service to persons with disabilities.
- **Encore Award**: To recognize a person with a disability who has significantly contributed to the community.
- Access Award: To recognize an individual, business, or group without a mandate to serve persons with
 disabilities, that has worked to improve access to facilities or services that increase opportunities and
 access for persons with disabilities, including within education, employment, recreation, or other areas
 of life. PAANS regrets that improvements to accessibility that are mandated by the building code cannot
 be considered for these awards.
- Andre McConnell Award: To recognize an individual who, has gone above and beyond their duties as a provincial, municipal, or federal public servant and has demonstrated:
 - 1. A Commitment to person centered service always putting the needs and concerns of persons with disabilities first; and
 - 2. True dedication to supporting persons with disabilities to fully participate in their communities.

PAANS would like you to help us recognize those in your community who have contributed to the inclusion of persons with disabilities in our province by submitting your nominations for the 2023 awards. The awards presentations will take place during Access Awareness Week 2023 – May 28th to June 3rd. To be considered for an award, nominations must be received no later than **Friday, April 21st, 2023**. Please use the attached nomination form and send it by email to nsleo2018@outlook.com

History of the Awards

The Hourglass Action Awards were launched in 1992 during National Access Awareness Week when an hourglass symbolized the spirit of timely action the awards recognize. In 2000, the name of the Award was changed to the *Mel Hebb Hourglass Action Awards* in honour of Mr. Melbourne Hebb, a former awards committee chair. Hebb, who passed away in October 1999, was the personification of dedicated action.

Town of Mahone Bay

Staff Report RE: 995 Main Street March 30th, 2023

General Overview:

This staff report is intended to provide Council with information concerning a development application from the owners of 995 Main Street.

Background:

The Mahone Bay Town Council approved the Development Agreement (MB-DA2019-001) of 995 Main Street on July 16, 2019. On July 12, 2022, because such time had passed since the initial approval of the DA, Council passed a further motion to "take no action for a further eighteen (18) months from the date of this resolution regarding the discharge of MB-DA2019-001".

Analysis:

An application to amend DA has been received by staff. Significant work has been undertaken by the property owners to prepare for construction of the dwelling. In the course of this work – particularly the installation of armor rock – the building footprint has shifted slightly. It is this shift in the footprint of the building which has necessitated the reopening of the DA (a variance in the setback to the neighboring water lot will be required). The owners plan to have on-site septic with a cistern for water which can be provided from a shared well across Main Street; Town permission will be required to install a water line under the street.

Financial Analysis:

The property owners have paid the required fees for the amendment of the DA.

Climate Analysis:

The original DA takes storm surge into account when requiring a vertical setback from sea level (hence the recent armoring work).

Strategic Plan:

N/A

Recommendation:

It is recommended,

THAT Council refer the request to amend the Development Agreement for 995 Main Street to the planners; and,

THAT Council approve the owners of 995 Main Street to install a water line under Main Street and direct staff to make the necessary arrangements to coordinate with the property owners.

Attached for Council Review:

None

Respectfully Submitted,

Staff Report RE: Council Policy Amendment March 9, 2023

General Overview:

This report is to provide Council with a draft amended Council Policy for consideration.

Background:

The Council Policy was reviewed at meetings of Policy and Strategy Committee on the following dates: September 26, 2022; October 24, 2022; November 28, 2022; and January 30, 2023. At each of those meetings possible amendments to the policies were discussed and at the following motion was passed at the January 30, 2023 meeting:

THAT this committee remove the Public Input Session from the draft Amended Council Policy.

Analysis:

Notes were made at each of the listed meetings of the Policy and Strategy Committee to capture suggestions made by Committee members for the amendment to the Council Policy. Amendments were made to clarify and/or simplify procedure, clarify language, and to align the policy with best practices which have developed since the original implementation of the Council Policy.

Attached to this agenda is the amended Council Policy with the amendments developed in discussion at the Policy and Strategy Committee meetings of September 26, 2022; October 24, 2022; November 28, 2022; and January 30, 2023.

Financial Analysis:

There are no identifiable financial implications of amending the Council Policy.

Equitable and Inclusive Growth

- Governance to Meet Expectations of our Growing Community.

Recommendation:

It is recommended, that at the March 30, 2023 2023 meeting of Council THAT Council approve the amended Council Policy.

Respectfully submitted,

Maureen Hughes

Town Clerk and Deputy CAO

Attached: DRAFT Amended Council Policy

Town Council Policy

1.0 Purpose

The purpose of this policy is to provide a standard set of guidelines concerning the procedures of Council and Town Council meetings. This policy will provide Council, staff and community members with a reference for Council procedures, meeting schedules, and roles and responsibilities of Council members.

All meetings of Council must be held in accordance with the Municipal Government Act.

2.0 Scope

The Town Council Policy applies to all members of Town Council as well as Town staff and any members of the public in attendance or participating in a Town Council meeting and meetings of Town Council Committees (except as noted in the Town of Mahone Bay Committees policy).

The Town Council Policy will repeal and supersede any and all previous policies held by the Town of Mahone Bay regarding and/or governing Town Council and Town Council meetings.

3.0 Council

- 3.1 Town Council: Council shall consist of seven elected members; five Councillors, a Deputy Mayor and a Mayor.
- 3.2 Organization of Council: At the first meeting of Council after a regular or special election, the Council shall meet and administer the required oaths and appoint one of their number to be Deputy Mayor.
- 3.3 Appointment of Deputy Mayor: The candidate who received the most votes at the polls of the municipal election shall be appointed Deputy Mayor on their consent to this appointment. If the person appointed as Deputy Mayor ceases to be a member of Council, or if the candidate who received the most votes does not consent to the appointment, then the member of Council who received the next highest number of votes at the most recent election shall be appointed Deputy Mayor for the balance of the term on their consent to this appointment.

If those nominated for Council are acclaimed, then the Councillor with the longest service on Council shall be appointed Deputy Mayor, on their consent to this appointment. In the event that this isn't possible, the selection will be made by motion of Council. If the person appointed as Deputy Mayor ceases to be a member of Council

then the member of Council with the next longest service on Council shall be appointed Deputy Mayor for the balance of the term on their consent to this appointment.

- 3.4 Responsibilities of Council: Members of council are expected to review pre-meeting packages provided, attend Council meetings and committee meetings as scheduled, respond to correspondence and attend special events. Council members are to conduct themselves in accordance with expectations as set forth by the Town of Mahone Bay.
- 3.4.1 The Council as a whole provides direction on the administration of the Town to the Chief Administrative Officer. All council members are required to vote during meetings and any non-vote will be deemed as a vote against the issue.
- 3.4.2 No individual Council member shall instruct or give direction to an employee of the Town.
- 3.5 Responsibilities of Deputy Mayor: The Deputy Mayor will act in the absence or inability of the Mayor or in the event that the office of Mayor becomes vacant.
- 3.6 Responsibilities of Mayor: The Mayor will preside over meetings of Council. Prior to the meeting, the Mayor will consult with the CAO concerning the meeting agenda prior to the agenda being published. The Mayor shall-may monitor the administration and government of the Town. The Mayor may call a special meeting should an issue arise that requires immediate attention. Where the Mayor determines that there is an emergency, the council may meet without notice or with such notice as is possible in the circumstances. The Mayor shall also act as a public spokesperson in the media; if required, this can be designated to another member of Council or staff.

4.0 Council Meetings

- 4.1 Regular Council Meetings: The Council meeting schedule is determined by Council, the CAO and the Town Clerk on an annual basis. No notice is provided for regular meetings.
- 4.1.1 Meeting Calendar: There will be a meeting calendar available to Council and the public by January 2nd of each year, posted at the Town Hall and on the Town website. This calendar will list all regular meetings of the Town Council and council committees.

Staff will provide electronic invitations to Council members for all regular meetings of Council in a calendar year by January 2nd of that year. Council members will receive an automated reminder to submit agenda items one week prior to each meeting.

4.2 Special Council Meetings: The Town Council shall hold Special Council meetings as may be necessary or expedient for the transaction of Town business. Special Council meetings will follow the same procedures as regular Council meetings. The CAO shall give the public three business days notice of special meetings by posting at the Town Hall and on the Town website. Failure to provide public notice does not invalidate the meeting.

- 4.3 Emergency Meetings: Emergency meetings are Special Council meetings held in response to an emergency as determined by the Mayor.
- 4.4 Meeting Calendar: There will be a meeting calendar available to Council and the public by January 2nd of each year, posted at the Town Hall and on the Town website. This calendar will list all regular meetings of the Town Council and council committees.
- 4.4 Council Meeting Packages: The Town Clerk shall distribute a Council package containing all the relevant documents for each regular or special meeting including: an agenda; minutes; documents corresponding to presentations or Council items; and staff reports or other materials necessary to the meeting as per the agenda. The Council package will be distributed a minimum of three business days prior to the meeting. For special meetings these timelines may be reduced. Council meeting packages for regular meetings will be posted on the Town website three business days in advance of the Council meeting; special meeting packages will be posted in advance if possible. Closed session materials that are pre-distributed to Council members or circulated in closed session are deemed confidential information and shall not be released to the public; physical and electronic copies are to be destroyed following the meeting.
- 4.5 Agenda: Draft agendas for Council meetings are completed through consultation between the CAO and Town Clerk. Agenda items may be added by Council members, Town staff and the public as specified in this policy.

Council agendas are posted on the Town website and in pre-determined public locations three business days prior to the Council meeting.

- 4.6 Minutes: At regular meetings of Council, except when Council resolves to defer the approval of minutes for a maximum of one additional meeting, the minutes of the previous regular meeting and subsequent special meetings will be reviewed and after all necessary corrections and amendments have been made, the minutes shall be approved by Council. To facilitate this process draft minutes will be circulated five business days prior to each regular meeting and the Town Clerk will bring an updated version reflecting any suggested corrections to the meeting for approval. The minutes shall be restricted to a record of the date, location, time, absence and regrets, gallery attendance, Council members and staff present, and the outcomes and actions taken on all agenda items. The approved minutes will be signed by the Clerk and the Mayor, or their designates. The original, signed and sealed minutes shall be kept by the Clerk. Within three business days of approval, minutes will be uploaded onto the Town website.
- 4.7 Recordings: Regular Town Council Meetings and Special Town Council Meetings will be recorded and uploaded to the Town of Mahone Bay's video platform for public viewing and information. Audio recordings will be taken as a backup but will not generally be saved. Closed sessions will not be recorded. The approved written Minutes for meetings, presented to Council by the Town Clerk, remain the official record of Council meetings.

Presentations will be advised that the meetings are recorded.

4.8 Staff: The Chief Administrative Officer and the Town Clerk will generally be in attendance at meetings of Council. The CAO will assist and inform Council, the Clerk will keep a record of the meeting and may, at the discretion of the Clerk, appoint recording secretaries as appropriate. Other members of staff may be present at the invitation of Council, as directed by the CAO.

4.9 Quorum: As per the Section 20 of the Municipal Government Act quorum will be achieved by a majority of the maximum number of persons that may be elected to Council. In the case of quorum not being met within 15 minutes of the appointed meeting time, or if quorum is lost during a meeting, the meeting will be adjourned and rescheduled.

4.10 Chairperson: Once quorum is met, the Mayor, if physically in attendance, will chair the meeting. If the Mayor is not expected to be present or is not present within 15 minutes of the meeting's starting time, the Deputy Mayor shall take the chair and preside during the meeting or until the arrival of the Mayor. If neither the Mayor nor Deputy Mayor is physically in attendance within fifteen minutes of the meeting's starting time, the Chief Administrative Officer shall call the meeting to order and the Councillors present shall appoint one of the members the Chair and they will preside during the meeting or until the arrival of the Mayor or Deputy Mayor.

The Chair may vote on any motion but may not introduce motions. If the Chair wishes to introduce a motion they may request that another member of Council temporarily take the Chair; this will be recorded in the minutes.

4.11 Breaks: Once a meeting has exceeded 2 hours, the Chair will entertain a motion for a 15 minute break.

4.12 Order of Business: Following the offering of a land acknowledgement, the order of business at a regular or special Council meeting shall generally adhere to the following structure:

- a) The Chair will call the meeting to order;
- b) Approval of the meeting agenda;
- c) Approval of the Minutes of the last regular meeting and of any special meeting(s) held since the last regular Council meeting;
- d) Presentations from the Public;
- e) Correspondence actionable items;
- f)—Correspondence information items;
- g) Consideration of reports of staff;
- h) Motions or items brought forward by Council;
- i) Reports from Council Committees and external boards and commissions of which the Town is a member
- i) New Business;
- k) Closed session if required;

I) Adjournment.

4.13 Public Input Session: The fifteen (15) minutes prior to the Call to Order of regular Council meetings will be allocated for a public input session. Members of the public who have comments to make will be asked to state their place of residence and will be allotted an equal share of the time allotted for public comments.

The minutes will reflect the name and residence of those who speak as well as the general topic about which they spoke. No motions or decisions shall be introduced by Council at the public information session; Council members may raise items under New Business as per the provisions of this policy.

4.13 Approval of Agenda: At the beginning of each Council meeting, Council shall approve the meeting's agenda. At this time an item can be added by a Council member under the category of New Business. If an item is deemed to be of a time-sensitive nature it may be added under Items brought forward by Council with a motion to amend the agenda, if this motion fails the item may still be added under New Business.

4.14 Presentations: Organizations or individuals are able to make presentations, in person, at Town Council meetings. A maximum of two presentations can be scheduled for any one meeting of Council emergency situations exist or there is cause for more or less presentations as determined by the CAO and Mayor. unless there is cause to alter the presentation availability as may be necessary or expedient for the transaction of Town business.

Presentation applications must be accompanied by an Executive Summary, any background information or any written documentation relating to the issue and must specify any requests of the Town, for circulation with the agenda. Presentations must generally submit a completed Presentation Application Form (attached as a schedule to this policy) to the Clerk for approval a minimum of five business days prior to the Council meeting; applications are available at Town Hall and on the Town website. Invited presenters will not be requested to complete the presentation form and may be afforded more time at the discretion of the Chair.

Approved presentations are allotted 10 minutes to present to Council; if more time is needed for special consideration, a special meeting can be scheduled to receive the presentation of a delegation.

The Chair shall interrupt the presentation when the 10 minute timeframe is exceeded and ask direction from Council on whether the presentation shall continue. If the Chair rules that the presentation is concluded, the person or persons appearing shall withdraw, and the decision of the Chair shall not be subject to challenge.

No motions or decisions shall be introduced by Council concerning a delegation's requests at the same Council meeting as the presentation save for motions to refer an issue to a Council Committee or to staff.

A delegation request may be refused if the content is threatening, racist, and/or otherwise discriminatory and/or if it pertains to personnel or public safety matters.

4.15 Correspondence: Correspondence to Council and/or correspondence requiring the attention of Council will be placed on the agenda. in two categories; Action (for correspondence requiring a response of Council) or Information. Correspondence must include have a full name, address or place of residence, and contact information included; anonymous correspondence will not be accepted. For a piece of correspondence to be added to the agenda for an upcoming council meeting, it must be received by the Town Clerk no later that five business days before the meeting. Receipt of correspondence will be acknowledged with a response indicating whether it will be forwarded or appear on a Council agenda.

Council members will speak only to items requiring action

4.16 Staff Reports: Reports from staff will be provided to Council in the Council package; the reports may include recommendations which require motions. A report on tasks previously assigned by Council will be provided on each agenda. The CAO will respond to questions regarding the reports.

4.17 Policy Approval Process: Policies proposed for adoption, amendment or repeal shall be circulated to Council by the CAO and will then be presented for discussion at a the next meeting of Town Council. The policy will then appear on the agenda under Staff Reports be presented for consideration at the next a meeting of Council that is held no less than seven (7) days following the date received for consideration. and will appear on the agenda under Staff Reports.

4.18 By-Law Approval Process: By-laws proposed for adoption, amendment or repeal shall be presented at a meeting of Council and given first reading by motion. At least fourteen days before a by-law is read for a second time, notice of Council's intent to consider the by-law shall be published in a newspaper circulating in Town, posted at the Town Hall and posted on the Town website. The notice shall state the object of the by-law, the date and time of the hearing provided for public input, and of the meeting at which the council proposes to consider it and the place where the proposed by-law may be inspected. Council will schedule a hearing prior to second reading, generally immediately prior to the Council meeting where second reading is on the agenda. Only Council members present at the hearing may vote on the motion for second reading. On receiving second reading a notice of the By-Law's adoption, amendment or repeal shall be published in a newspaper circulating in Town.

4.19 Town Council Committee Reports: Town Council Committee Reports will be presented by one of the Council members who sits on the Town Council Committee. The complete draft minutes from each committee meeting will be provided to all of Council for their review in the Council package following their preparation. The Council member will present only the critical highlights of the meetings and motions or items requiring Council action or direction.

4.20 Items brought Forward by Council: Any member of Council may bring forward items of business or interest for consideration by Council. Motions can be made on these items during the meeting. To add a Council item to the agenda Council members must contact the Town clerk in writing in a minimum of five business days prior to the meeting date requesting the item be added; the Council member must provide sufficient background information for inclusion in the meeting package.

Staff will provide Outlook electronic invitations to Council members for all regular meetings of Council in a calendar year by January 2nd of that year; once accepted, Council members will receive an automated reminder to submit agenda items one week prior to each meeting.

4.21 New Business: New Business presents an opportunity to raise subjects not previously discussed or included on the meeting Agenda. Council members can provide Notice(s) of Motion for upcoming meetings of Council; motions cannot be made under New Business. The Council member making the Notice of Motion will provide the motion to the Town Clerk for submission to Council in the next Town Council meeting package. Under New Business, Council members may bring forward items of interest to Council and the public and/or ask questions of the CAO.

4.22 Closed Sessions: The Council may meet in closed session as permitted under the Nova Scotia Municipal Government Act to discuss matters relating to:

- a. Acquisition, sale, lease and security of municipal property;
- b. Setting a minimum price to be accepted by the municipality at a tax sale;
- c. Personnel matters;
- d. Labour relations;
- e. Contract negotiations;
- f. Litigation or potential litigation;
- g. Legal advice eligible for solicitor-client privilege;
- h. Public security;

No decision shall be made in closed session except a decision concerning procedural matters or to give direction to staff of, or solicitors for, the Town.

The meeting minutes will note the reason Council met in closed session and the duration, but no other information.

5.0 Meeting Procedures

- 5.1 Motions, Voting and Speaking:
- a) All motions shall be decided by majority vote of those present. An abstention will be considered a vote against the motion. If a motion fails to secure a majority of yes votes it will be considered to have failed.

- b) A motion may be withdrawn by the mover at any time, with the consent of the seconder, before the Council has voted on it.
- c) Prior to beginning a vote on any motion a Council member may request a roll-call vote. If a roll call is so requested the Chair will read each member's name in alphabetical order by surname and the member will reply with a yes or no vote.
- d) When any question is before Council only the following motions can be made:
 - i) A motion to amend the original motion;
 - ii) A motion to refer the question to any committee;
 - iii) A motion to defer the consideration of the question to a time specified by motion;
 - iv) A motion that the question be put to a vote;
- e) A motion must be seconded before it is debated or discussed.
- f) A motion that the question be put to a vote shall itself be put to a vote without further amendment or debate, but a motion that the question be put to a vote will not itself be put to a vote until every Council member who has not spoken on the question and wishes to speak has been heard.
 - When a motion is to be put to a vote, the Chair will ask "Is Council ready for the question?" and if no Council members speaks the Chair shall ask for the vote; no Council member is permitted to speak after the Chair asks for the vote.
- g) Once a motion has been defeated the same motion will not be reintroduced for Council's consideration unless significant new information has been provided to Council. The Council will vote to reconsider a motion prior to the motion itself being put before Council.
- h) A motion which has been passed may be the subject of a motion to rescind. A motion to rescind can only be made if no action has been taken on the original motion. It can be made at any time (later meetings included) after the original motion was made and passed. A motion to rescind will not be put to a vote until every Council member who has not spoken on the question and wishes to speak has been heard. If the rescind motion passes, it completely wipes out the original motion.
- i)—The Chair will start every question by asking "Is Council ready for the question?" and if no Council member speaks, the chair shall ask the question, after which no Council member is permitted to speak on the motion. A motion must be seconded before it is debated or discussed.
- j) The following questions will be decided without debate:
 - i) A motion to reconsider:
 - ii) A motion to allow any person other than the Council Members or CAO to address the Council;

- iii) A motion to adjourn.
- k) Every Council member, prior to speaking on any question or motion, will raise their hand and wait to be acknowledged by the Chair before speaking. If more than one Council member raises their hand to speak at the same time, the Chair shall decide will be allowed to speak first.
- I) No Council member may speak more than twice, without the permission of Council, on any motion except to explain a misconception of their remarks. The mover of a motion shall have the right to reply and sum up in closing the debate; this shall be for a maximum of two minutes and shall not count against the limit of two opportunities to speak on a motion.
- m) No Council member shall speak more than two minutes upon any matter at one time, without the leave of Council.
- n) A Council meeting may adjourn at the conclusion of business without a motion to adjourn.

5.2 Points of Order:

- a) It shall be the duty of the Chair, and the privilege of Council members, to call any Council Member to order, who violates any rules contained in this policy. A point of order must be decided before the subject under consideration can proceed.
- b) When a Council member is called to order, the Council member shall remain seated and silent until the point is determined.
- c) A point of order is not debatable amongst other members of Council, unless the Chair invites discussion in an effort to assist in making a ruling. If the Chair permits discussion of a point of order, no member of Council is permitted to speak more than once.
- d) Decisions of the chair on points of order or procedure are not debatable but are appealable by any member of Council. When an appeal is made from the decision of the Chair, the Chair shall simply state the question, "Shall the decision of the Chair be sustained?" which shall be voted on without debate.
- e) If a Council member resists the rules of Council, intentionally obstructs the business of Council or disobeys the decisions of the Chair, or of Council on appeal, on any question of order or practice, after being called to order by the Chair, or otherwise disrupts the proceedings of Council, the member of Council may be ordered by the Chair to leave the Council table provided that a majority vote of Council sustains the expulsion.

If the Council member refuses to leave the table, the Chair may order the member of Council be expelled and excluded from the Council Chambers. Such member of Council may, by vote of Council, later in the meeting or at a subsequent meeting be permitted to re-enter Council Chambers and to resume participation in Council's business with or without conditions.

f) If any question arises that is not provided for by applicable legislation or this policy, it shall be decided according to the ruling of the Chair.

5.3 Attendance at Council Meetings:

- a) Persons who are not Council members or employees of the Town of Mahone Bay who are in attendance during a meeting of Council shall observe silence and order in Council Chambers, unless given permission to speak. Any such persons disturbing the proceedings of Council will be called to order by the Chair, and, if they fail to comply, will be expelled from Council Chambers by the Chair; a majority vote of Council shall be required to sustain the expulsion. Such member of the public may, by vote of Council, later in the meeting or at a subsequent meeting, be permitted to re-enter Council Chambers, with or without conditions. An order of the Chair to expel a person from the Council Chambers constitutes a direction from the Town of Mahone Bay to leave the premises.
- b) Persons who are not Council members or employees of the Town of Mahone Bay who are in attendance during a meeting conducted by means of electronic facilities who disturb the proceedings of Council and fail to comply when called to order by the Chair, as per 5.3 (a) of this policy, will be expelled from the electronic meeting by being disconnected and/or ejected from the meeting. Such member of the public may, by vote of Council, may be permitted to re-join the meeting, as meeting technology permits, with or without conditions.

6.0 General

6.1 Questions: For 10 minutes following a Council meeting, there will be an opportunity for the public in attendance to ask questions of Council. Questions must be related to the meeting's agenda. Council members are not obligated to answer.

6.1.1. When a Council meeting goes into closed session, following the conclusion of the open session Council will allow a 10 minute question period to receive questions from the gallery before going into closed session.

6.1.2. Members of the public who ask questions during the question period are required to state their name and place of residence, whether they be in the gallery in-person or participating online. Questions submitted without a name and place of residence will not be considered.

- 6.2 Professional Conduct: All Council members, staff and members of the public are encouraged to maintain professional standards of conduct during all meetings of Town Council. Abusive language or actions can result in expulsion from the meeting, Council Chambers and/or the building. Threatening language, violence, or destruction of property can result in intervention by the RCMP.
- 6.3 Conflict of Interest: Any Council member with a conflict of interest related to motion or actions of Council, as per the Municipal Government Act, subject to the Municipal Conflict of Interest Act, must declare this conflict. If this conflict occurs in open session, the Council member must excuse themselves from the Council table during the time which the topic is under consideration; if this conflict occurs in closed session, the Council member must excuse themselves from the meeting room during the time which the topic is under consideration. The Clerk will record the date, Councillor's name and the topic of conflict, to be filed with the Council minutes.
- 6.4 Conducting Meetings by Electronic Facilities: A Council or council committee meeting may be conducted by means of electronic facilities as permitted by MGA(19A). When it is the norm that Council meetings are held in person, electronic participation by a member will be permitted for a maximum of two (2) consecutive regular meetings of Council without leave of Council.
- 6.4.1 A Council member participating by means of an electronic facility is deemed to be present at the meeting, can be counted toward quorum and can vote, including casting the deciding vote in the event of a tie. If communication is lost during the meeting and cannot be reconnected, the minutes shall reflect when the Council member left the meeting.
- 6.4.2 A person can only participate electronically in a closed portion of a meeting if they assure Council that they are in a secure location where no other parties can view or hear any part of the closed session. Under no circumstances is any portion of the closed session to be recorded.
- 6.4.3 While it will generally be the norm that meetings are held in person, a remote meeting may be called as permitted by MGA(19A) and in such case the same expectations of public notice, transparency, and opportunity for public participation as laid out elsewhere in this policy will be maintained as for a physical meeting (via live broadcast on the Town of Mahone Bay's video platform). When a Council meeting will be conducted remotely using electronic facilities this information will be included on the agenda for public information.

Summary of Last Month's Activities

Implemented additional water mitigation measures

Ongoing water management inspections and maintenance

Trenching and installation of underground conduit

Overview

Trenching and Underground Conduit Installation

GP Joule completed approximately 30% of the trenching on-site this month. They utilized the dry days and completed most of the trenching on the Western side and a small portion of the trenching on the Eastern side.

Sediment and Water Diversion Management

The Mahone Bay site has continued to experience above-normal amounts of rainfall. Due to the continued heavy rainfall events, AREA requested Tulloch come to the site and review the current stormwater and erosion control measures and provide additional recommendations on how to keep the outflow clean and off residents' properties.

Some of the recommendations that have been immediately implemented include the installation of coconut matting to most of the site, and areas, where matting could not be installed, had loose hay placed to cover the exposed ground. The road leading to the Sewage Treatment Plant was cleaned up and gravel was put down at the turnaround area as well as the parking spots by the site trailer.

Additional measures that are in the process of being implemented include the improvement of the current swale, incorporating a new swale that would catch the water currently being missed by the existing swale that flows onto the below property and the addition silt fencing.

Town of Mahone Bay

Staff Report

RE: Planning and Development Services Agreement March 30th. 2023

General Overview:

This staff report is intended to provide Council with an update on the status of the planning and development services agreement between the Town of Mahone Bay and the Municipality of Chester (MoC).

Background:

The Mahone Bay Town Council purchases planning and development services from the Municipality of Chester and has done since 2003, with the current ten-year agreement – including planning and development services along with building and fire inspection and emergency management services – having been entered into in 2013.

Analysis:

The current agreement ends March 31, 2023. MoC and Town staff have been in discussions concerning the renewal of the agreement for several months. MoC staff have developed an updated agreement which is currently with their Solicitor for review.

To allow for more time to present the new agreement for the consideration and approval of both councils, a three-month extension of the current agreement is recommended. MoC Council approved this three-month extension on March 23, 2023.

Financial Analysis:

The contracted service is expected to remain similar and the price is expected to continue to increase by CPI.

Climate Analysis:

N/A

Strategic Plan:

N/A

Recommendation:

It is recommended,

THAT Council approve extension of current planning and development services agreement with the Municipality of Chester by three months.

Attached for Council Review:

Staff Report RE: Draft Bench Donation Program March 30, 2023

General Overview:

This report is to provide Council with a draft Bench Donation Program document.

Background:.

At the September 8, 2020 meeting of Town Council, the following motion was made:

THAT Council direct staff to develop a multi-year bench installation program with potential locations being decided on in consultation with the Age Friendly Community Committee in alignment with the CBCL Transportation Plan Report and Accessibility Standards."

Analysis:

A bench donation program has been developed in accordance with the Town's <u>Donations Policy</u>.

Staff identified locations on both private and public properties that would be suitable for benches and/or picnic tables. These locations were chosen through recommendations from both the Age Friendly Community Committee and the Town's Accessibility Coordinator. Additional locations can be easily added.

Currently four donation options have been identified, although more options could be introduced once the program is in place. The current chosen options are:

- Park bench, to be used in parks and on trails
- Metal bench, to be used along sidewalks and paved walkways,
- Accessible picnic table to be used in accessible locations, made of heavyweight recycled plastic
- Traditional picnic table made of heavyweight recycled plastic

These four options offer a variety of price points for donation; ranging from \$500 for a park bench to \$2500 for a picnic table.

A public facing, Bench Donation Program document has been developed (Appendix A). This document will be shared on the Town's website and the program will be promoted through the Town's Facebook page, website and the

Mayor's Newsletter. Promotion will highlight the charitable (receiptable) nature of donations and how donors will be recognized by the Town.

An easement agreement document has also been developed (Appendix B). This agreement will allow private properties to "host a bench". There are many areas of Mahone Bay that have pedestrian traffic but not enough sidewalk space to place a bench on Town owned property. Private property owners will be encouraged to enter into an easement agreement with the Town to allow the placement of benches at the sidewalks edge on private lands.

Financial Analysis:

Staff is recommending that council budget \$20,000 for the installation of up to 20 benches and picnic tables in the 2023/24 fiscal year. While donations from citizens will pay for the physical bench or picnic table, staff is recommending that the Town pay for the assembly and installation of these items, some of which will involve installing a concrete pad.

Links to Strategic Plan:

- 1.3 Improve Accessibility of Public Infrastructure
- Strategically improve transportation infrastructure to support healthy living.

Recommendation:

It is recommended,

THAT Council approve the Bench Donation Program as presented.

Respectfully submitted,

Kelly Redden

Acting Town Clerk and Deputy CAO

Community Bench Donation Program

About the Program

Individuals and organizations may make a donation to the Community Bench Donation Program for a specific bench or picnic table or a general donation to the program. This program is made possible through the Town of Mahone Bay's Donation Policy.

The purpose of the Community Bench Donation Program is to provide a means to recognize a person or organization through a lasting tribute. The contributions made through this program will also benefit the waterfront, parks, greenspaces, and recreational areas enjoyed by residents and visitors.

Agreements

In accordance with the Donation Policy a signed agreement outlining the roles and responsibilities of the contributor/donor and the Town will be required upon receipt of funds, prior to the installation of the community asset.

See the attached Bench Donation Program Map to view available locations for specific community asset donation. There are numerous suitable locations for park benches not depicted on the Map. Bench locations along Town sidewalks are not shown but if you own property adjacent to a Town sidewalk and would be interested in hosting a bench, see below.

Assets on Private Property

The Town is providing an opportunity for private property owners to "host a bench". Many well-traveled locations in the town do not have space for bench placement on public property. If you are interested in hosting a bench at adjacent to the sidewalk contact Town Hall to get more information.

<u>Plaques</u>

As part of your donation, a c	commemorative plaque will be purchased and placed on the
community asset. Plaques v	vill be made of metal, white on blue. Wording shall include:
donated in memory of	(name) by
(optional)	(Date). The purchase and placement of the plaque will be
paid for and decided on by	the Town. Any deviation from the standard wording must be
approved by Town Staff.	

<u>Installation</u>

Assets will only be installed from April 1 through October 31. Installation will be completed to Town standards and specifications. Donors will be notified by Town staff once the asset has been installed.

Maintenance

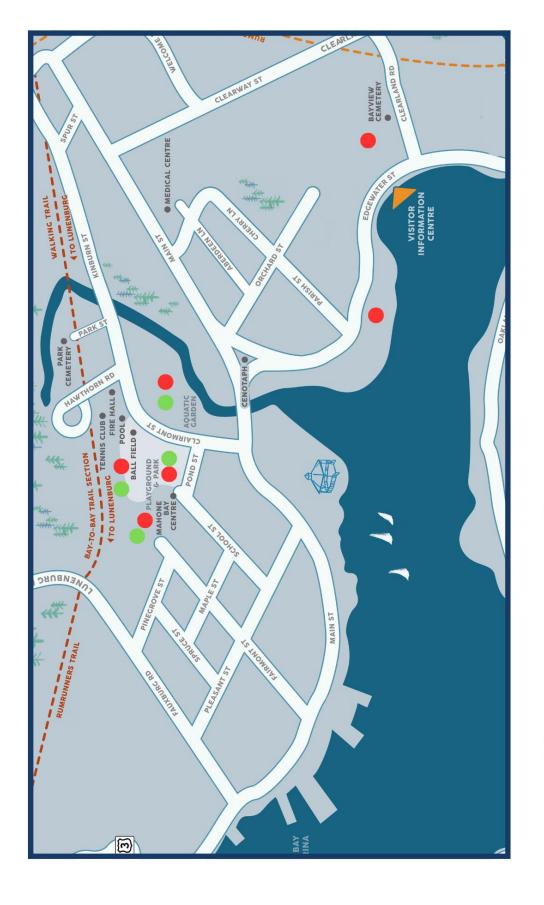

The Town of Mahone Bay will maintain the donated asset in the same manner as other Town assets. If the accompanying plaque requires replacement due to theft or vandalism, the replacement cost will be the responsibility of the Town of Mahone Bay. In the event that the location of the asset proves to cause a concern due to vandalism or other issues, the Town may relocate the asset and the plaque, in consultation with the donor.

TOWN OF MAHONE BAY, a Town within the Province of Nova Scotia

(Hereinafter called "the Town")

WHEREAS NAME owns lands located at STREET ADDRESS, Mahone Bay, Lunenburg County, Nova Scotia identified by PID NUMBER (hereinafter called "LAST NAME'S Lands");

AND WHEREAS the Town wishes to obtain a Grant of Easement over LAST NAME's Lands.

NOW WITNESSETH that in consideration of One Dollar (\$1.00) and other good and valuable consideration, receipt whereof is hereby acknowledged,

- 1. *LAST NAME* grants to the Town, its successors and assigns the free and uninterrupted right, privilege, liberty and easement for the Town to do the following:
 - (a) to enter on, over, across, or under those lands described as *Parcel Name* as shown on the Sketch prepared by *Survey Company* attached hereto as Schedule "A" ("the Easement") to install, maintain, inspect, alter, remove, replace, repair, reconstruct a public bench and concrete pad, and to clear the Easement of all or any part of any trees, growth, impediments or obstructions, now or hereafter on the Easement which might, in the opinion of the Town, interfere with the access or use of the easement and Installation.
 - (b) to enter upon the Easement, from time to time, as may be reasonably required by the Town to carry out Installation and maintenance;
 - (c) to manage and control by any method deemed expedient by the Town any vegetation on the Easement that may interfere with use or access; and
 - (d) generally to do all acts necessary or incidental to the exercise of the rights and privileges granted herein.
- 2. Last Name hereby covenants with the Town that it will not:
 - (a) excavate, drill, install, erect, construct, or permit to be excavated, drilled, installed, erected, or constructed on the Easement any structure or installation, pile material or plant any growth upon the Easement which in the opinion of the Town might interfere with the Installation;

- (b) plant or establish within the Easement any trees, shrubs, or other vegetation, failing which the Town, in its discretion, shall be entitled to remove and/or manage and control by any method deemed expedient by the Town any such vegetation without notice to Last Name.
- 3. Use of the Easement by members of the general public is at their own risk. Neither the Town nor *Last Name* by entering into this agreement assume duty to or for the benefit of the general public for defects in the location, design, installation, maintenance, or repair of the public bench; for unsafe conditions within the Easement Area; to inspect for or warn against possibly unsafe conditions; or to close the bench to public access when unsafe conditions may be present.
- 4. If a claim for any loss or personal injury or property damage occurring within the Easement is asserted against either *Last Name* or the Town, or both, it is anticipated that they will assert such defenses as are available to them under applicable law. If immunity from a claim is for any reason unavailable to *Last Name*, the Town agrees to indemnify, defend, and hold *Last Name* harmless from any loss or litigation expense if and to the extent arising from said claim.
- 5. This Grant of Easement shall enure to the benefit of and be binding upon *Last Name*, the Town, and their respective heirs, executors, administrators, successors and assigns.
- 6. This Grant of Easement shall be read with all change of number and gender required by the context.

IN WITNESS WHEREOF the parties hereto have executed this Grant of Easement the day and year first above written.

Staff Report RE: 2022-23 Write Offs March 30th. 2023

General Overview:

This staff report is to provide Council with a recommendation relating to the annual write-off of uncollectable accounts.

Background:

At year-end the outstanding accounts of the Town are reviewed by staff to determine chance of collection. Outstanding amounts with low chance of collection are sent to the Province. If the Province is successful in collecting payment, the Town will receive a portion of the funds received. However, as the chance of collection is low, the Town's auditors require that these amounts be written-off as not to overstate receivables at year end.

Analysis:

Staff have prepared the attached write-off list for Council review.

Financial Analysis:

Uncollectable accounts recommended for write-off in 2022-23 total \$5,164.40 (\$4,678.59 from the Electric Utility and \$485.81 from the Water Utility).

Climate Analysis:

N/A

Strategic Plan:

N/A

Recommendation:

It is recommended,

THAT Council write-off accounts in the amount of \$5,164.40 (\$4,678.59 from the Electric Utility and \$485.81 from the Water Utility) as presented.

Staff Report RE: Mahone Bay Pool March 30th, 2023

General Overview:

This staff report is intended to provide Council with recommendations concerning required capital investment in the Mahone Bay Pool.

Background:

The Mahone Bay Pool is a recreational facility owned by the Town of Mahone Bay and operated by the Mahone Bay Pool Society.

Analysis:

The pool facility is nearing the end of its useful life with major capital investment being required to maintain current service levels as well as to keep pace with accessibility requirements. Staff anticipate that the pool can operate for the 2023 season without substantial capital investment but it is unlikely it can go another year thereafter.

A recent quotation obtained by staff suggests a minimum investment of \$110,000 will be needed to maintain the existing pool, which doesn't include improvements necessary to meet accessibility requirements. To build a new pool from scratch in the same or another location is estimated at \$290,000 – 380,000 for the pool itself – depending on the design selected – plus additional costs for associated buildings, fencing, etc. as required. Presuming capital work begins in the Spring of 2024 the pool would likely be closed for the 2024 season.

In consideration of the above, capital investment in the Mahone Bay Pool facility in the coming years could range from a likely minimum of \$150,000 to a possible maximum as high as \$650,000. Significant considerations informing Council's eventual decision in this regard include potential external funding supports (Provincial/Federal and adjacent municipalities), current and potential usership, access and accessibility, and location.

Staff recommend beginning with a public engagement plan to gather input from community members, pool users and the Society (as key stakeholders for the Mahone Bay Pool).

Financial Analysis:

In the 2022-23 annual budget approved by Council July 28th, 2022 staff identified an anticipated need for \$100,000 for Pool Renovations in 2023-24. This was also anticipated in the 10-year capital investment plan included in the 2021-22 budget as "upgrades to public pool," with the intention being to capture costs required to meet expected accessibility requirements.

The draft 2023-24 annual budget will reflect engineering costs for design work in fiscal 2023-24 and an anticipated capital investment in 2024-25.

Climate Analysis:

N/A

Strategic Plan:

2.2 Provide Equitable Services to Support Growth

• Explore shared services and partnerships for efficient service delivery while connecting with community passion and interest.

Recommendation:

It is recommended,

THAT Council direct staff to develop a Public Engagement Plan for anticipated capital investment in the Mahone Bay Pool.

Staff Report RE: Review of Parking Areas March 30th, 2023

General Overview:

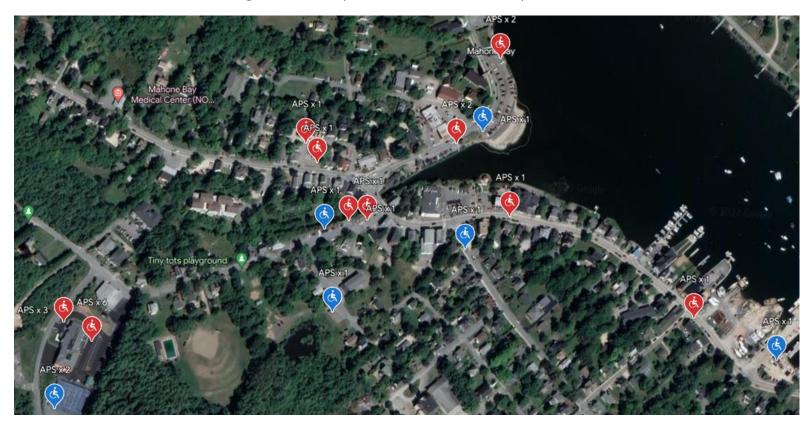

This staff report is intended to provide Council with an update concerning a review of parking areas carried out by staff.

Background:

At the regular Council meeting on February 7, 2023 a motion was passed directing staff to carry out an assessment of the location of accessible parking spaces and no parking zones and report to Council in this regard prior to the issuance of the 2023 painting tender.

Analysis:

Staff have reviewed existing accessible parking spaces and potential locations for additional spaces. The Town currently has <u>21</u> Accessible Parking spaces located throughout the community (shown in <u>RED</u> below) and we recommend adding another <u>7</u> (shown in <u>BLUE</u> below) for a total of <u>28</u>.

Staff have also reviewed no parking areas and will be increases painted / signed setbacks from crosswalks, intersections and hydrants in line with Transportation Association of Canada best practices. This will improve motorist sight-lines and pedestrian safety in the downtown; it is anticipated that on-street parking capacity will be slightly reduced as a result.

Financial Analysis:

New accessible spaces and no parking areas will be reflected in the Spring painting tender with minor anticipated increase in costs to be reflected in the draft 2023-24 annual budget.

Climate Analysis:

Improving accessibility and pedestrian safety supports active transportation choices and can contribute to a reduction in community greenhouse gas emissions from transportation.

Strategic Plan:

1.3 Improve Accessibility of Public Infrastructure

• Strategically improve transportation infrastructure to support healthy living.

Recommendation:

It is recommended,

THAT Council direct staff to include additional accessible parking spaces in the annual painting tender for 2023, bringing the total to 28.

Staff Report RE: 2023-24 Transportation Projects March 30th, 2023

General Overview:

This staff report is intended to provide Council with an update on communications regarding upcoming 2023 transportation projects.

Background:

At the regular Council meeting of February 7, 2023 a motion was passed directing staff to prepare a communications package for the community regarding upcoming 2023 transportation projects.

Analysis:

Attached is a poster developed to communicate 2023 transportation projects to the public, which will be posted in public locations as well as digitally via the Town's website and social media, and incorporated into the April 2023 newsletter.

Among the referenced projects is the engineering review of the intersection of Main Street and Edgewater Street being conducted by WSP on behalf of the Town. The contractors are prepared to present their initial concepts report to the Council and are looking for an appropriate opportunity in early April.

Financial Analysis:

Referenced 2023 transportation projects will be reflected in the draft 2023-24 annual budget.

Climate Analysis:

Transportation projects are intended to support active transportation choices by residents and visitors, contributing to a reduction in the community's carbon footprint.

Strategic Plan:

1.3 Improve Accessibility of Public Infrastructure

• Strategically improve transportation infrastructure to support healthy living.

Recommendation:

It is recommended,

THAT Council set time for the presentation of the Edgewater/Main intersection concepts report by WSP.

"Saying Yes to Gaelic!" Gaelic Nova Scotia Month 2023 Planning Underway

Under the leadership of the Gaelic Council of Nova Scotia, the 2023 Gaelic Nova Scotia Month Planning Committee has been assembled and is busy planning for this year's celebration, held annually in May since its inception in 1996!

With the theme, "Saying Yes to Gaelic!" the Planning Committee is inviting individuals and organizations in Nova Scotia to join in the acknowledging, honouring and celebrating of Nova Scotia Gaels and Gaelic language, culture and identity in the Province.

The Planning Committee invites all Nova Scotians to participate in celebrating Nova Scotia's rich Gaelic cultural identity and heritage through song, poetry, music, story, dance, kinship, foodways, customs, traditions and spirituality.

"As an Irish as well as a Gaelic speaker, I see Gaelic Nova Scotia Month as an opportunity for all Nova Scotians who may have Gaelic connections and origins that go back to Scotland to feel very welcome and affirm their unique Gaelic cultural heritages and identities. There are thousands of Nova Scotians who have Gaelic heritage in their families and communities as well as many new language learners and all are warmly invited to be part of a growing movement of Gaelic renewal and reclamation in the Province," stated Kieran Walker, Administrative Coordinator for the Gaelic Council of Nova Scotia.

Gaelic Nova Scotia Month 2023 will include a public launch at Province House with others planned around the Province, an online calendar of Gaelic language and cultural activities and events, and a promotional poster with an accompanying educational pack with information on Gaelic Nova Scotia.

Ouotes:

"'Saying Yes to Gaelic!' is an invitation to the Gaelic heritage community of the Province to affirm its unique Gaelic identity in whatever ways that is appropriate to do as well as encouraging all Nova Scotians to

chur air dòigh; bidh mìosachan ri fhaighinn air loidhne le fiosrachadh air na bhios a' tachairt a thaobh na Gàidhlig's a cultair ré a' Mhìos; théid postair-adhartachaidh le pasgan foghluim 'ullachadh, agus fiosrachadh mu Ghàidheil an Albainn Nuaidh na lùib.

Ás-earrainn:

'S e fiathachadh ro'n choimhearsnachd Ghàidhealaich anns a' mhór-roinn a th'ann an "Dualchas na Gàidhlig: 'S ann leibh-s' a tha e!" gu bhith a' deimhinneachadh a dualchais Ghàidhealaich àraid ge bi na dòighean a tha freagarrach gus siod a dhèanadh. Cuideachd, 's e cothrom a th'ann a bhith a' toirt misneachd do dh' Ùr-Albannaich uile gu aithneachadh na Gàidhlig, gus urram a thoirt dhi, is gu gabhail an sàs ann a bhith a' cumail suas na Gàidhlig is a cuid ealain is sheanchais mar a bhios iad seo a' cur ri beatha na h-Albann Nuaidhe ann an caochladh dhòighean."

acknowledge, honour and engage in celebrating the Gaelic language and its cultural arts and expression as these contribute in numerous ways to Nova Scotia life."

- Edward MacDonell, President, Gaelic Council of Nova Scotia

Quick Facts:

Nova Scotia is the only jurisdiction in the world outside of Scotland, Ireland and the Isle of Man where a Gaelic language and its cultural heritage and identity have been passed down from generation to generation in families and communities.

Statistics Canada cites 257,205 or 27% of Nova Scotians are descended from Scottish Gaels.

Estimates based on 2016 census data and information compiled from the community indicate that, at that time, there were approximately 2,000 speakers of Gaelic in Nova Scotia. Since then, thousands of Nova Scotians have been involved in Gaelic programming in schools, institutions, and communities. Many more Nova Scotians are involved in cultural activities such as music, song and dance that stem from the Gaelic language.

Gaelic Nova Scotia Month 2023

Gaelic is the language of Gaels. All elements of Gaelic culture, history, and society are informed by the language. As an early settler language, Scottish Gaelic has deep roots in Nova Scotia, and was once spoken by tens of thousands of people. One-third of Nova Scotians have Gaelic heritage, and thousands are reclaiming their language and culture today. And, you don't have to have Gaelic heritage to learn and be part of the Gaelic community. Many in Nova Scotia and beyond are learning this vibrant, poetic, musical, and communal language. All are welcome!

Dualchas na Gàidhlig - 'S ann leibh-se a tha e! | Saying Yes to Gaelic! This is our theme for Gaelic Nova Scotia Month 2023. It is meant to encourage all Nova Scotians to embrace Gaelic language and culture and foster an appreciation for the uniqueness that it endows the province.

The Planning Committee for Mios nan Gàidheal wants to encourage overall engagement with Gaelic culture in May 2023. We invite you or your organization to advise if you are planning an inperson or online event so that we can help to advertise it as an official event. Some areas of focus might be:

- A lecture or lecture series on Gaelic language;
- Gaelic conversation groups;
- Gaelic storytelling, storytelling tutorials or lectures on Gaelic storytelling;
- Panels or discussions on Gaelic language, history, and culture;
- Gaelic language connection to music and dance;
- Sharing information on Gaelic traditions and customs;
- Outdoor activities through the medium of Gaelic; or,
- An online event to connect to geographically distant Gaelic communities.

Lunenburg County Seniors' Safety Program Monthly Report – February 2023

prepared: March 3, 2023

The LCSSP is a free confidential community-based non-profit service that works collaboratively with BPS, RCMP, and many community partners to help address the safety concerns of older adults (55 years of age+), residing in Lunenburg County. Service is provided through awareness campaigns, advocacy, community outreach projects, educational programs, community presentations and one to one service.

February has been a busy month for connecting seniors with resources in the community, including the Seniors' Care Grant and Home Heating Rebate. Plans for capturing similar data for future reports are being developed.

LCSSP updates and training opportunities:

- Home Management Navigator Grant project edits have been made and the logo for stickers is ready for ordering
 printing. The book is being well received by clients and seniors at presentations. Next steps include awareness of
 the book to first responders as another tool as with "The Vial of Life" and further promotion through community
 partners.
- LCSSC facilitated an information session on Seniors' Safety Program for the Flourish Centre Wellness Program on Feb.28th. 15 older adults participated in sharing areas of concerns with scams, preparing for changes as they age and relevant resources to them.
- LCSSC attended virtual meetings with David Murdoch and Jacqueline Campbell on Feb.8th and an Adult Protection Presentation with Seniors Safety Coordinators on Feb. 23rd.
- With March is Fraud Prevention Month. A "Lunch and Learn" will be held at Souls Harbour on March 8th, 2 Fraud Presentation sessions are scheduled for March 10 at the Flourish Centre in Bridgewater in collaboration with the BBB, the morning of March 16th a "pop-up" at the OHC in Chester, a virtual webinar for CARP on March 22 and a "pop-up" at Mahone Bay BMO including a discussion with staff before opening.

Community Logo Development

3.1 Review of Draft

Members discussed the need to canvas public opinion on the nature of a process which would be required for development of a logo.

A motion by, P. Smith seconded by T. Repchuk, "THAT the Steering Team recommend to Council that the Town conduct a survey to determine whether

the Town should continue to use its current logo, create a logo based on "the three churches", or engage in a public process to develop a new logo with community input." Motion Carried

Members agreed it would be preferable for the survey to include an open-ended question on the development of a new logo, for respondents selecting this option.

Members discussed the importance of receiving significant response from residents of Mahone Bay. It was suggested that the survey encourage responses from a broad demographic cross section and that the survey include some demographic questions as well.

Members agreed that discussion of the RFP is postponed to the next meeting.

3.2 Revised Timeline for Logo Development

Members agreed that the timeline for logo development would be influenced by the results of the initial public survey.

The Anglican Church is planning to install a washroom in the church building. At present the washrooms are located in the Church Hall some distance away. Many parishioners have expressed a need to have a washroom available to them within the church building.

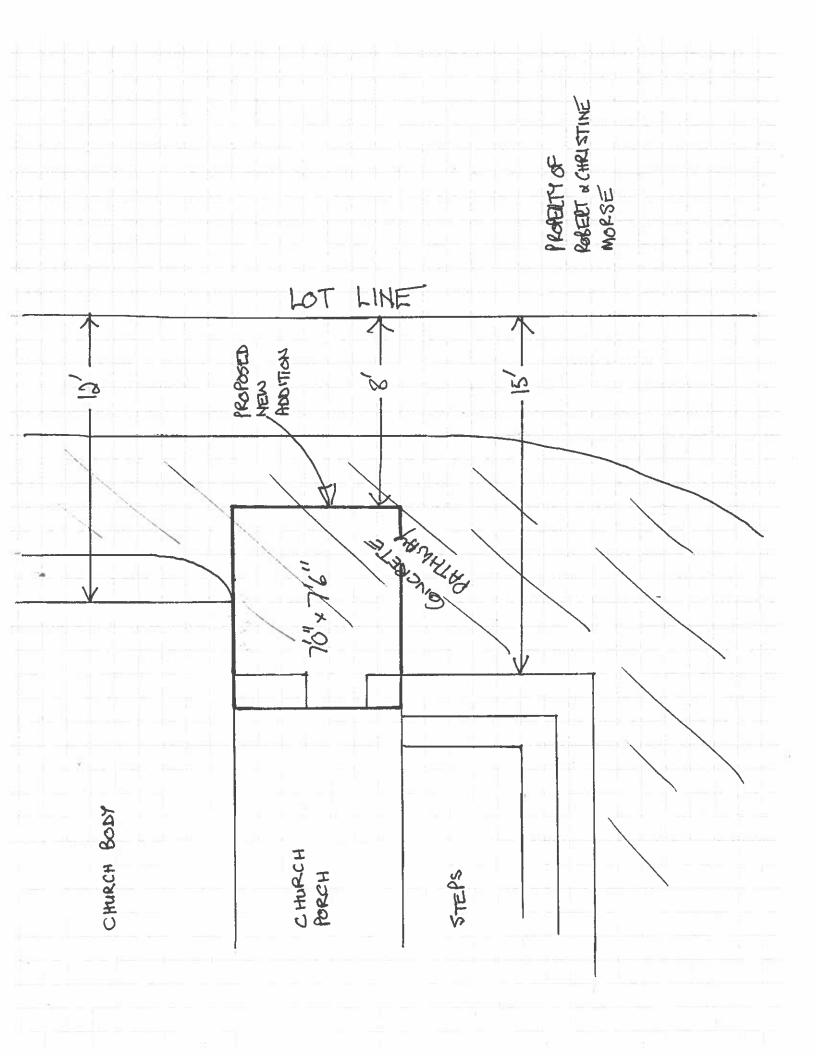

Within the church the windows occupy a lot of the wall space. When we looked at the interior we found there was no place to put the necessary door width (36") to provide access to a washroom that could be added to the building. This is especially true at the rear where it seemed most appropriate.

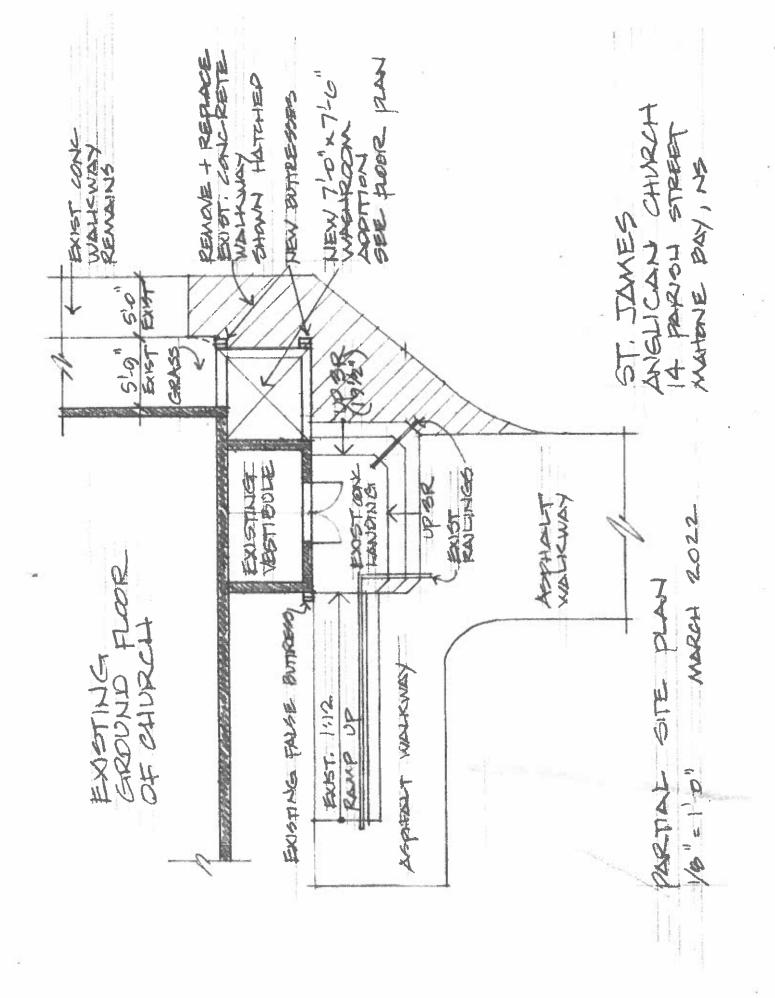

We consulted with a retired architect and looked at the front porch. Here we could extend the porch to the side to accommodate a washroom. The line of the porch roof would have to change to give the height needed in the washroom. The church already has a change to the roofline of the chancel where an extension was created to house the organ pipes. (see photograph) We plan to use this detail for the new extension.

496 Main St., Mahone Bay Statement of Significance

Description

496 Main Street is a very small wood frame residence situated near the centre of Mahone Bay, Nova Scotia, on the main road leading west from the town towards Blockhouse. The building sits gable end to the street with its footprint (16.45 ft. x 34.10 ft.) covering almost the entire property which measures 20 ft. x 38 ft. It is surrounded on three sides by the property at 492 Main Street.

Municipal heritage designation applies to the building.

Heritage Value

496 Main Street is valued for its scale, for its contribution to the streetscape of Main Street; and for its association with the Lohnes family of general merchants who used the building as a store. Philip Lohnes was mayor from 1975 to 1982.

Character-Defining Elements

The character-defining elements of 496 Main Street relate to its adaptive re-use as a home, its location, its history and its architecture and include the following:

- association with the Lohnes family and the economic development of the town.
- location within the Town of Mahone Bay
- vernacular features such as:
 - simple trim and moldings on windows and doors
 - wood shingle cladding
 - granite base
 - storey and a half elevation with a 45 degree pitched roof
 - imposing eave returns

Additional info

This structure was built or perhaps moved to the site after 1931.

45 School Street, Mahone Bay

Statement of Significance

Description:

The main building at 45 School Street was constructed in 1914 as the Mahone Bay Academy. It replaced a more modest building on the same site that was built in 1872. It is an imposing three-storey structure, framed and clad in wood, situated where Pond and School Streets intersect at the crest of a hill in the Town of Mahone Bay, Nova Scotia. The central four-storey bell tower is visible from all directions.

Registration applies to the original 1914 structure and does not include the north wing which was added in the 1950s.

Heritage Value:

The heritage value of 45 School Street lies in its architectural representation of the progressive education movement of the late nineteenth and early twentieth centuries; in the history of community collaboration that characterized its inception and construction; and the significant roles the building and the people associated with it have played in the community of Mahone Bay for the past century.

45 School Street is a modest example of the "palace schools" which were built across the Maritimes during the late Victorian and early Edwardian period as sites for school consolidation and as symbols of civic pride. Although smaller than the brick or stone structures built in urban areas, the Mahone Bay Academy features the generous spaces and natural light which were considered requirements for the health and morale of the students in the late nineteenth and early twentieth centuries.

Mahone Bay was praised in the local press in 1914 for the resourcefulness, high standards and community spirit that fostered the planning and funding of its new school. Having achieved the community's financial commitment through the sale of debentures, the three elected school trustees (Charlie Lohnes, William Joudrey and Charlie Begin) arranged for the school's design and construction by Boehner Bros. of West LaHave, Nova Scotia, a firm well-known for public buildings across the province.

The Mahone Bay Academy was built with community pride and financial commitment in 1914. The building has continued to play a significant role in community life as a focus for community events, as an educational setting where many prominent Nova Scotians worked or studied, and more recently as a community centre whose activities reflect and support the changing demographics of the modern town.

Character Defining Elements:

Character-defining elements of 45 School Street relate to features of its wood construction and details characteristic of progressive school architecture of the late Victorian and early Edwardian period in the Maritimes:

- Four storey bell tower located centrally in front façade;
- Neo-Classical cornices surmounting dormers and side entrance;

- Symmetrical window and door openings on all four façades;
- Italianate arches and steeply peaked roofline of bell tower;
- Two-over-two windows all topped by transoms;
- Transoms and sidelights at entrances;
- Frieze board, baseboard, and corner pilasters;
- Wood cladding;
- Modified mansard roofline.
