Community Builders

Financial donations can have a ripple effect that goes far beyond the initial gift. It sends a strong message of trust and solidarity. When individuals invest in their community, it strengthens connections and encourages others to get involved through volunteering, advocacy, or further giving.

If you're thinking about donating, even a small, consistent contribution can make a meaningful difference over time. Fire Department donations go to EQ reserve for the purchase of equipment and other donations can support everything from benches and trees to recreational groups operating from town premises. Financial donations to boost services and programming in our greater community is a wonderful act of generosity and community spirit.

Or maybe you'd like to contribute your time and expertise to one of our Town Committees or Boards. We have an incredible, valued group of volunteers, local residents who generously offer their time and guidance to so much of what we do as a Town.

We are presently encouraging residents to apply to serve on some of the Town's Committees and Boards for the 2025-2026 term. With new Audit and Finance Committees, we're looking for applicants with good financial knowledge to fill the following vacancies:

Asset Management Committee - 1 vacancy

Audit Committee - 3 vacancies*

Finance Committee - 2 vacancies*

Planning Advisory Committee - 1 vacancy

* One person MUST serve on both the Audit and Finance committees

Serving on a committee is a great way to have a voice in local decisions; learn more about Town operations; connect with others; and make a real difference. It is a great way to give back to your community!

Interested? The application form and information is available on the website at:

<https://www.townofmahonebay.ca/committees> and

<https://www.townofmahonebay.ca/code-of-conduct>

We hope to see you at the table at Town Hall soon!
